

JUNIOR VACANCY - Weekend Potwash/ Kitchen Assistant

Weekend position with additional shifts during school holidays.

- Full training provided.
- Minimum age 15
- Good hourly wage, and staff meal during shift

Assisting our chef, you will be taught valuable skills including ingredients preparation, cooking and plating up items on our entire food menu, knife skills, food hygiene and safety, drafting orders for ingredients, team communications, and various support jobs. This isn't just a pot wash job (although we all do that job here). This is a fantastic opportunity for a young, reliable and enthusiastic person to learn some job skills and also make some money over the coming years, as we aim to keep our staff employed learning valuable skills within our business.

We have been training junior staff for 9 years now, and previous staff have gone on to fantastic positions utilising the skills first learned with us, many whilst at school & university.

Please send us something about yourself... including some educational info and your interests and why you would like to work for us
